

Scenario: Cameron and Finn

Cameron and Finn have been dating for 5 months. Recently, things between Cameron and Finn have been getting more physical and Cameron thinks that they might have sex. Cameron tries to talk to Finn about how they can prevent STIs and pregnancy, but Finn says “let’s just see what happens. Why do we have to talk about that stuff?”

What should Cameron do next?

Scenario: Chris and Hareem

Chris is at semi-formal. He's dancing with lots of different people as well as all of his friends. When Chris is dancing with Hareem, she is dancing really close and keeps trying to kiss him and grab his butt. Chris is uncomfortable with the situation, and isn't interested in being in a relationship right now.

What should Chris do next?

Scenario: Sam and Jen

Sam wears a new pair of leggings to school that she got for her birthday. When she's walking to her locker after math, she hears someone yell "nice bum". Sam sees that it's another student in her class named Jen. Sam asks Jen not to say that again and Jen says "What? How can I help it when you look so good in those leggings?"

What should Sam do next?

Scenario: Elena and Bryan

Elena and Bryan have been dating for the last year. Elena and Bryan haven't had sex before but they are both feeling ready.

What conversations do Elena and Bryan need to have before they should have sex?

Scenario: Josh and Kyle

Josh and Kyle have been dating for the last year. Josh and Kyle haven't had sex before but they are both feeling ready. One day when things are getting very physical, Josh asks Kyle if he has a condom and Kyle says "We don't need one of those, we've been together for a year, obviously we don't need to be worried about STIs."

What should Josh do?

Scenario: Taylor and Claire

Taylor and Claire are at a party. There is a lot of drinking, and no parents are home. Taylor and Claire start dancing and kissing, and Taylor asks Claire if she wants to go with him to the bedroom. Claire says yes. In the bedroom, they keep kissing and Claire puts her hand in Taylor's pants. Taylor asks Claire to give him oral sex, but Claire is not comfortable with that.

What should Claire do?

What should Taylor do?

Scenario: Morgan

Morgan is the best player on her school's basketball team. When her team goes to play away games, all the other players talk about who they're dating and who's sleeping with who. Morgan isn't sure if she's attracted to males, or females, or both and isn't really that interested in being with anyone right now. Morgan's teammates tease her about being single, and Morgan feels like she can't connect with them because she has no stories to share.

What should Morgan do?

Scenario: Jamie and Payton

Jamie and Payton have been together for 2 years. They have been having sex with condoms for the last 6 months. Recently, Payton has started being uncomfortable with how physical their relationship has become. Payton wants to stop being sexually active at this time, but also doesn't want the relationship with Jamie to end.

What should Payton do?
