

Let's see what you remember

Time: 15 minutes

Materials:

- [Let's see what you remember PowerPoint](#)
- Mini white-boards and markers (optional)

Instructions:

- Cue the Let's see what you remember PowerPoint presentation
- Go through the questions on each subsequent slide
- Ask students to participate by responding to each question and confirming or correcting responses
- Supplement or clarify using information in the Core Knowledge Content, if necessary.

Variations:

- Split the class into 2 or more teams and have them compete to try and answer the most questions correctly
- Distribute mini white boards (these can be made using a white sheet of paper inserted into a plastic sleeve) to each student or to small groups of students and have students write and show their answers on the white boards
