Hi Rhonda,
I don't think a call is necessary..
The short answer is, no.
No decision has been made yet.

We are presently examining all the requests through the Regional expansion criteria to assess prior to making our recommendations to Regional Council in December.

There is nothing needed from you at this point. We simply need to review all of the requests (which there are many) before we bring those recommendations forward.

I have you on the list to notify when that report is ready.

Sincerely,
Chris

Hi Chris

I got back the info regarding my request for the Michener rd frontage of our Cherry Hill Blvd North property to be considered in the sprawl plan.

Is this done and we are not included? Is there anything I need to do? I read it a few times but am not sure what it means.

Can you call means when you have 5 minutes to spare to help clarify a few things? Please and thank you!!

I won't need to keep you long at [REDACTED]

Thank you. Rhonda
