Hi Chris, I can confirm that ownership of 4336 Willick Ave. is very supportive of being considered for inclusion in the future NF Urban boundary /settlement the in future.

Please feel free to change your mapping should you wish to a request from a private land owner.

Hi Stephen,

Thanks for inquiring.

Short answer is yes, Regional staff reviewed lands along the existing settlement areas that could potentially be included for assessment as they were neither privately requested or municipally requested at this time. The Region still holds the responsibility under the Growth Plan to review and

assess “for the most appropriate location” to consider expansion of settlement areas.

I trust that helps clarify the green on the mapping.

Sincerely,
Chris
