Good Afternoon,

We would like to take this opportunity to thank you for allowing us to be part of the zoom meeting with respects to the Settlement Area Boundary Expansions.

We definitely have a few concerns that we would like to meet with you and/or your team to discuss.

We have a 10 acre parcel of land that is now "stuck" under the Greenbelt/Specialty Crop classification. Unfortunately with the proposed changes, all the land surrounding our property has been slated for development. One side of our property is completely beside Rice Road Greenhouse, now our sides and back of our property will be enveloped with new developments.

We would appreciate the opportunity to meet with you (virtually if possible) to further discuss our concerns and options that may be available.

Thank you kindly in advance

Marcel & Jody Cadieux
