Good Morning Darren,
We have received your comments and requests on areas in Wellandport.
We will forward these comments to the appropriate staff.
Best Regards,
Official Plan Team

Comments

Could the Region expand the housing and manufacturing area around Wellandport and down RR-27, my proposal is build an affordable seniors community and expand services (jobs) for local citizens. We would also look at installing a government approved waste treatment facility to aid in a structured expansion of the area.
