Hi Peter,

Further to our phone conversation, please see the below links to the information discussed.

PDS 42-2021 is the report with the rural recommendations - <https://niagararegion.ca/official-plan/settlement-area-boundary-review-dec-2021.aspx> Specifically Appendix 3 has the detailed review.

West Lincoln's Report on Rural Boundaries - [Planning Building Environmental Committee - October 12, 2021 \(escribemeetings.com\)](#) See Item 12.5 Report 117-2021. You can review the Township's recommendations on the rural settlement boundaries. If you click on the Item you will see links to the MHBC Report for the Rural Employment Study.

Here is the link to the Township's zoning by-law - [Zoning - West Lincoln](#).

As mentioned, there is more work required finalize recommendations, the Niagara Official Plan and then the local conformity process.

If you have any comments you wish to submit, please provide them to me over the next couple of days.

Thanks,  
Kirsten
