Good Morning,

I am not entirely certain of the comments you are inquiring about. I believe the information you are referring to is that of the City staff's reporting to it's Local Council back in October of this year.

The following link to the City Council Agenda page should allow you to locate and download the report I believe you may be referring to. It is located as Item 7.5 on the October 5, 2021 Agenda. More specifically, Report PBD-2021-53.
