Hello,
Thank you for your inquiry.

Following the Region's Settlement Area Boundary Review the lands you had requested be considered in the Region's review were not part of the Staff recommendations for settlement expansion in Welland/Port Colborne (Folks Rd. W. and Elm St.).

If you have not already reviewed the Staff report PDS 41-2021 for the December 8, Planning and Economic Development Committee meeting, you can find the report and appendices as **Item 6.1 on the Agenda** with the link below.
