Hi Doug,

Thanks for contacting me about the letter you received regarding the Niagara Official Plan and the Settlement Area Boundary Review (SABR). Please confirm you received this e-mail by sending me a reply, thanks.

The following link should help provide some information on the review process and next steps for settlement boundary expansions in Niagara. You will want to read PDS 41-2021 Settlement Area Boundary Review - Urban Recommendations and its appendices: <https://www.niagararegion.ca/official-plan/settlement-area-boundary-review-dec-2021.aspx>

I note that Appendix 2 will show the map of staff's recommended expansion locations and they are also shown in the body of the Report.

I will ask my colleague to check why [REDACTED] name may have been included in the letter, but fairly certain it was an oversight on our end. The purpose of the actual letter mail was to just bring awareness to owners who may not be aware of the Region's process.

If you have any questions, please feel free to reach out. Expansions remain draft for public comment at this time and Council will make a decision sometime in the new year (potentially March) on whether they agree with Staff's recommendations or direct any changes.

Sincerely,

Chris

Hi Chris- We recently received a letter from you indicating a change of boundary was being considered for my property. Having looked at the website, I still do not understand what this all means and what the implications are. Could you possibly give me a brief explanation?

Also the letter was addressed to myself, my wife and [REDACTED] and I do not understand why [REDACTED] is considered a property owner at this address as he most certainly is not. Could you also explain that to me? Thanks.
