Hi Ken,

Thanks for contacting me about the letter you received regarding the Niagara Official Plan and the Settlement Area Boundary Review (SABR). Please confirm you received this e-mail by sending me a reply, thanks.

The following link should help provide some information on the review process and next steps for settlement boundary expansions in Niagara. You will want to read PDS 41-2021 Settlement Area Boundary Review - Urban Recommendations and its appendices: <https://www.niagararegion.ca/official-plan/settlement-area-boundary-review-dec-2021.aspx>

I note that Appendix 2 will show the map of staff's recommended expansion locations. Appendix 9 provides the full details of the review. Your properties are within a larger review area under SABR ID 1061.

You may also want to visit the SABR mapping tool to review information submitted for this location of Niagara Falls - <https://navigator.niagararegion.ca/portal/apps/webappviewer/index.html?id=eb1c2537526b44a4a275372e76e10939>

If you have any questions, please feel free to reach out.

Thanks,
Kirsten
