Hi Chris...

Thank you for the virtual meeting last week. It is great that your group makes a point of keeping the property owners involved in your enormous new official plan process.

I wanted to let you know that I talked to a few of my neighbors (Robert Kaman and Val Frassetto) and they like myself were very pleased with the fact that the Niagara Region staff have recommended our strip of properties be included into the urban boundary. Like you indicated, our little strip is like the hole in the donut and deserves to be in the urban boundary especially with all the infrastructure that exists all around us.

Thanks again for all the hard work your team has done to get this moving forward. It is greatly appreciated.
