Hi William,

Thanks for contacting me about the letter you received and also for speaking with me to give you some basic information on what is happening with the Region's Official Plan. Please confirm you received this e-mail by just sending me a reply to let me know, thanks.

The following links should help you gain a better understanding of the process that has gone on and also what is to yet come.

If you have any questions, please feel free to give me a call after you have reviewed the documents.

The report and appendices I suggest you read through at available at the link below. You will want to read PDS 41-2021 and its appendices.
