**II. QUESTIONS & ANSWERS**

**Q1: Are we allowed to provide alternative equivalents to the products listed on Appendix G, or do we have to bid exact manufacturers listed?**

**A1:** Alternative equivalents are permitted as long as they meet all patient care standards. Manufacturer information currently being supplied was provided for cross referencing and to provide the Bidder with full description of items. The Successful Bidder may be required to provide samples of proposed alternatives for evaluation. If item is deemed not equivalent, the Successful Bidder shall be required to provide a substitute equivalent product for review and acceptance, to the satisfaction of NEMS at the price submitted on the Form of Tender.

**Any and all Addenda is to be acknowledged in the spaces provided on the Form of Tender.  
All other terms and conditions remain unchanged.**
