

Employment Immunization Status for Child Care

Provision of this document fulfills the **Child Care and Early Years Act** (ontario.ca/laws/statute/14c11) requirement for a health assessment for child care employees and contracted home child care providers (applies to partners, spouses, frequent visitors and adult children who routinely interact with the children in child care) working in Niagara.

This form is kept on file by the child care licensee. Niagara Region Public Health does not collect immunization records or this form.

Child Care Employee or Contracted Home Child Care Provider Information

First name:

Last name:

Date of hire (mm/dd/yyyy):

Facility name:
